Privacy Screens and Decorative Railings

Marvel Fabrication and Welding has a range of designs and materials available to help you bring your outdoor ideas to life.

Our Privacy screen and decorative railing designs can be used in a multitude of ways, the only limit is your imagination. From the sleek, sophisticated look of Stainless Steel or the rustic natural finish of Cor-Ten Steel, to the durability of Aluminium and Mild Steel, that can both be finished in a range of paint or powder coat colours to uplift your areas.

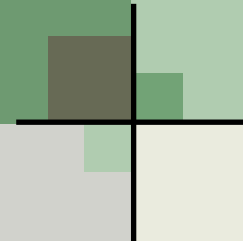

They can be used as large ornamental backings to your garden or as an accent piece in the very centre. Gates and fences can be styled with decorative inserts to give them your own individual touch. Decking's and balconies can be given an embellished border in the style of your choosing.

All items can be fabricated in a range of sizes, including smaller versions to be used as ornate wall art pieces.

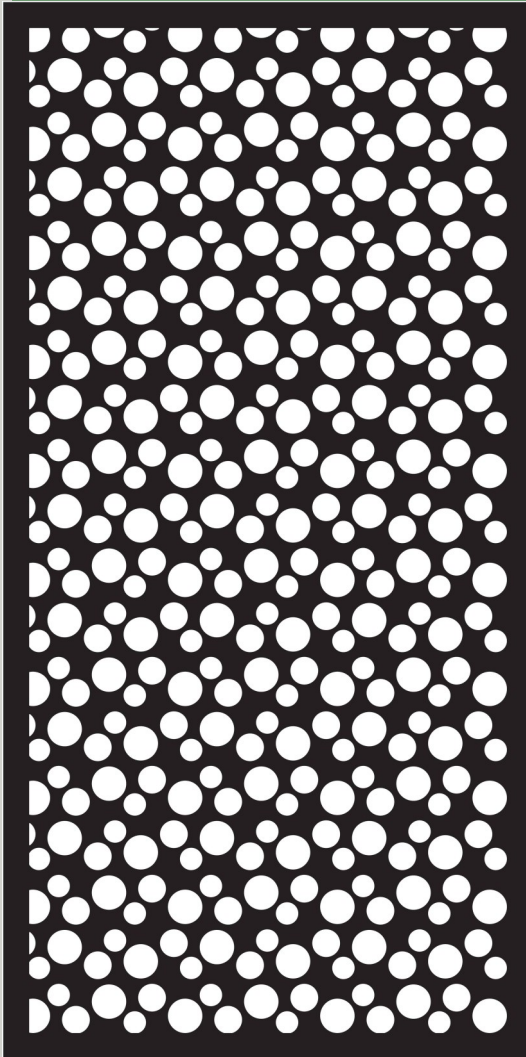

We pride ourselves on delivering quality products that you will love for years to come.

Not only can we provide these decorative elements, we can fabricate the whole job. Fences, gates, balustrades, garden and other outdoor framework; what ever your need is we are here to help you make it a reality.

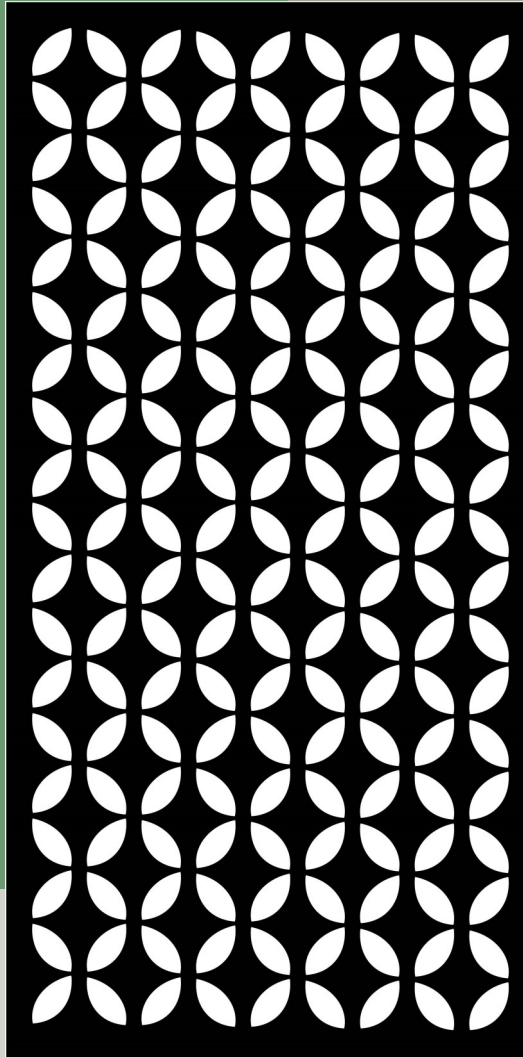

If you have a more unique size or design requests in mind, please don't hesitate to contact us for a free quote at enquiries@marvelfabrication.au.
